Music made for dancing!

This group of experienced musicians churn out a subtle mix of Swing & New Orleans's Rock-n-Roll. The high energy Nolaksters pull covers from the great NOLA musicians of the 40's, 50's & 60's and Denis Agenet's originals hold that Crescent City spirit.

Together they've absorbed substantial knowledge and experience of African-American music. Their first 7 track album, "Who Dat?», released March 2018, lives up to their promise to deliver
